

# North East – Regional Security Event

Ramside Hall Hotel – Durham City 8<sup>th</sup> February 2016

ASIS International Chapter 208 is proud to host the first North East England regional event at the Ramside Hall hotel, ([www.ramsidehallhotel.co.uk](http://www.ramsidehallhotel.co.uk)) located on the outskirts of beautiful historic Durham City. The event brings together regional and national security professionals to discuss security related issues around current crime/risk patterns and trends, technical innovations and regulatory updates, as well as providing an excellent opportunity to enjoy the facilities and network with colleagues.

Excellent room rates have been negotiated, alongside reduced rates for those who wish to have a pre-event round of golf at the on-site course and free use of some of the latest spa, health and fitness facilities.
